OM SECURITY GUARD SERVICES PVT. LTD

Excellence in Protection | Trusted Since 2007

We proudly introduce ourselves as OM Security Guard Services Pvt. Ltd. (formerly known as OM Security Services) — one of India's leading and most trusted security solutions providers.

Backed by 15 years of experience, a professional team, and cutting-edge technology, we deliver comprehensive security and Housekeeping services to a wide range of sectors with integrity, reliability, and excellence.

Our Vision

To become a global leader in security services by leveraging technology, innovation, and customer-first commitment — ensuring safety, reliability, and peace of mind for all.

Our Mission

To consistently deliver excellence through trusted partnerships, advanced solutions, and professional manpower — while maintaining transparency, cost-efficiency, and comfort for every client.

Meet the Founder

At OM Security Guard Services Pvt. Ltd., our vision is clear — to create a safe and secure environment where our clients can focus on growth without worrying about safety. We are dedicated to delivering professional, reliable, and cost-effective security solutions that exceed expectations.

When I started this company, my mission was not just to build a business, but to build trust and long-term relationships. Over the years, our commitment to quality, discipline, and integrity has helped us earn the confidence of clients across industries.

Our strength lies in our trained workforce, strong values, and continuous improvement. Every success we achieve reflects our team's hard work and our belief in doing what is right, not just what is easy.

Looking ahead, we remain determined to uphold the highest standards of security services and ensure that OM Security continues to be a trusted symbol of safety, service, and trust.

Warm regards,
Dinesh Upadhyay
Founder & Director
OM Security Guard Services Pvt. Ltd.

Recruitment - Training - Monitoring

Recruitment

We focus on choosing our team members very carefully. We have strict rules with regard to education, age, health, and background of our staff. The Recruitment Cell vets Police records, background and past work history to ensure robust induction.

- **Height Requirement:** At least 170 cms (5.5 Feet) tall.
- **Experience and Training:** Prefer candidates with the army, para-military forces or police background. Otherwise, we look for individuals who are well-trained, experienced and smart.
- **Police Verification:** We make sure to check and confirm the background of our candidates with the local Police.
- **Education and Practical Experience:** Minimum education required is high school/intermediate/graduate and candidates should have practical experience in security
- **Age Range:** Between 21 and 45 years old and up to 50 years for ex-army/Paramilitary/Police personnel.
- **Fire Fighting Knowledge:** Candidates should be aware of and knowledgeable about the procedures for operating fire-fighting appliances or else be trained before.

Training

At OM Security Guard Services Pvt. Ltd., we take pride in providing comprehensive and specialized training to security guards.

Our commitment to excellence ensures that our guards are not just well-prepared but are equipped with the latest skills and knowledge to excel in the dynamic field of security.

The Training Covers

- General Duties
- Access and Exit Control
- Maintenance of Logs & Registers
- Visitor Management Protocols
- Fire Prevention & Fire Fighting
- Patrolling Techniques
- First Aid Training
- Effective Report Writing
- Traffic Control Strategies
- Professional Frisking Methods
- Emergency Control Procedures

Monitoring

We have a team of highly experienced and qualified Managers, Security and Facility Professionals and the necessary infrastructure to successfully manage your prestigious premises.

During the last few years, our Excellence has turned into a quality Security and Facility Services. Surprise checks and continuity training are regular features aimed at best service deliveries.

Our senior officers make frequent visits (also during late nights) to all the sites to ensure that clients' expectations are met and deliverables are more than compliance and expectations.

OUR WORK PROFILE

Reliable & Professional Security Solutions

At OM Security Guard Services Pvt. Ltd., we provide professional and proactive security solutions tailored for industrial, corporate offices, commercial complexes, and warehouse environments. Our security personnel are well-trained, disciplined, and fully capable of managing all on-ground operations with diligence and integrity. We do more than guard your premises—we safeguard your people, property, and productivity.

DOCUMENTS MAINTAINED AT THE GATE by Our Security personnel:

Our trained security team ensures thorough documentation and monitoring at all entry/exit points, helping maintain accountability and transparency at all times:

- Visitor Register (Manual/Digital)
- Daily Occurrence Register (D.O.R.)
- Duty Allocation Register
- Key Control Register
- Vehicle In/Out Register
- Material Movement Register (Returnable/Non-returnable)
- Important Telephone Number Register

EMERGENCY RESPONSE:

Our staff are trained to follow a structured Emergency Response Plan in coordination with client teams. Whether it's a fire, medical emergency, or other incident, our personnel act swiftly, ensuring immediate containment, escalation, and coordination with local emergency services. Our goal: zero disruption, maximum safety

Access Control Procedures

We implement strict access control systems to ensure only authorized personnel are allowed inside:

- Photo ID verification for all contract staff
- Visitor pass system with log maintenance and approvals
- Escorting visitors to approved areas only
- Frisking and bag checks at exit points
- Gate pass checks for contract workers
- Prohibited entry for unauthorized individuals
- Use of client-approved entrances/exits only

Gate House Management

We implement strict access control systems to ensure only authorized personnel are allowed inside:

- Verify employee ID cards before allowing entry
- Issue visitor ID cards and passes with signature verification
- Monitor all incoming/outgoing vehicles, including checks for unauthorized materials
- Maintain records for VIP vehicles (no-check list as per client directive)
- Enforce return of passes and logs at visitor exit
- Ensure smooth entry of contract workers with valid gate passes

Vigilance & Surveillance

OM Security staff act as the eyes and ears of your organization:

- Monitoring for unusual behavior, suspicious activities, and potential risks
- Reporting union activities or internal misconduct confidentially
- Regular patrolling and surveillance to deter theft, vandalism, and policy violations
- Safeguarding intellectual property and sensitive areas
- On-site supervisors conduct real-time assessments and alert the client promptly

Quality in On-Site Operations

Multi-tier Inspection and Control Room operations.

- Round the Clock (24x7) Security Set Up.
- Key procedures: Ensure that all security personnel are aware of key procedures such as: Emergency procedures and Fire alarm suppression procedures, location of fire equipment and it's serviceability, maintenance and operating methods
- Access Control procedures for Staff, Managers, Visitors, Material and Vehicles.
- Actions to be followed as per clients' SOPs in case of various emergencies
- Watchful eyes and regular patrolling
- Familiarity with all installed security gadgets at the site
- A good demeanour, smart turn out and polite but firm conduct
